

Photo Frames

In this kit, you will find:

- Cardboard photo frame
- Book pages
- Sheet of stickers
- Mod Podge
- Paint brush

Optional items (not included):

- *Paint*
- *Markers*
- *Embellishments*

INSTRUCTIONS:

- Use the enclosed book pages and stickers to decorate the photo frame. Apply a thin layer of Mod Podge to adhere the book pages in place. Alternately, use paint or markers (not provided) to decorate the frame. Or, you can use other decorations instead.
- Once finished with your design and everything is dry, apply 2-3 coats of Mod Podge to seal your frame. Only apply the Mod Podge to the outside of the frame. Otherwise, it will stick together. If this happens, gently peel it apart before the Mod Podge dries. Allow to fully dry between coats. Insert your favorite photo and enjoy!

Project ideas and inspiration!
